

CUNN'S WEEKLY NEWS UPDATE

May 7, 2017

AP Testing (all grades)

AP Testing continues this week. This time of year may add additional stress to already full schedules. Be sure to care of yourself during this time, whether it means additional sleep, eating a good breakfast or engaging in activities that you enjoy daily.

Carve out sometime each day for you to reset and unwind. Parents if you notice your student is under more stress than is manageable please reach out your student's counselor or the Wellness Center.

Summer School (all grades)

The summer school website: <https://www.pausd.org/programs/summer-school>

Counselors will continue to enroll students for summer school classes that are "credit recovery."

You will receive a courtesy registration note from your counselor, confirmation will come from the district in May.

Sophomore Conferences (grade 10)

Sophomore conferences have concluded. Thank you to all Sophomores that attended.

College and Career Corner (10th, 11th and 12th grade)

If you need to meet with Mrs. Kirsch to discuss college choices or issues, just send her an email to set the appointment (lkirsch@pausd.org).

Any freshman or sophomore parent who has a need to meet with Mrs. Kirsch just send her an email and we can make this happen.

Reminder senior parents: be sure to take that offer of admission by May 1. If you are still concerned about to GAP or not and want help understanding this, contact Mrs. Kirsch for an appointment.

If you come off a wait list, whether or not you are still here, and plan to take that offer, please send that information to Mr. Lang so we can update our data. We would like to invite alum who change schools to also let us in the C&CC center know as we are interested in understanding why someone goes from one college to another. That information can be sent to Mrs. Kirsch at any time. Feedback on your college experience is always welcome and valued.

Senior Section (12th grade)

Seniors, please make sure you are up to date on all of your senior information by checking the Student Activities [website](#). This website is updated by our Student Activities office and will have all relevant information for seniors and their families.
